TIMBER MATERIALS

ROBLE

A hardwood which is light yellow in colour and has a smooth lustre. Its strength is similar to Teak. Comes with a 10 year warranty and is sourced from Bolivia. Our **Roble** is FSC® 100% certified.

NEW ENGLAND

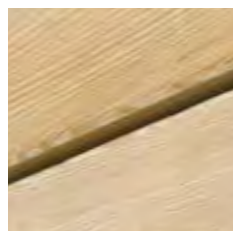

A hardwood which is coated in a satin white polyurethane paint. The timber is a species of **Acacia** sourced from Vietnam. Comes with a 3 year warranty. Our **Acacia** is FSC® 100% certified.

SHERWOOD

A variety of Acacia, which has been sourced from Vietnam. Each piece has been factory treated to give the **Sherwood** its distinctive chestnut brown finish. Our **Sherwood** range comes with a 3 year warranty and is FSC® 100% certified.

PINE

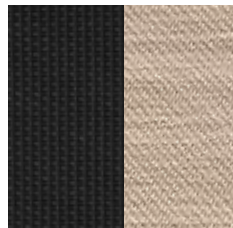

A pre-treated soft wood with an impressive yellow/green grain. **Pine** needs to be annually retreated with a preservative. Comes with a 3 year warranty. Our **Pine** is from Poland and is FSC® 100% certified.

CORNIS

A dense, closely grained hardwood, which has been oiled giving each piece of furniture a smooth brown finish. It originates from The Congo, Central Africa. **Cornis** comes with a 3 year warranty and is FSC® MIX certified.

ROSE SLING

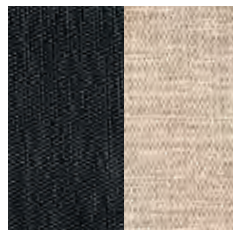

Rose Sling is a synthetic and highly flexible tensile polyethylene fibre. It is 100% recyclable, non toxic material and is insensitive to UV rays. Comes with a 3 year warranty.

MAHOGANY

A red/pink hardwood that mellows to a silver/grey colour. Comes with a 3 year warranty. It is sourced from The Congo, Central Africa. Our **Mahogany** is FSC® MIX certified.

OLEFIN CUSHION FABRIC

Our **Olefin** cushion fabric comes in oatmeal and charcoal. It is made using 100% dyed premium **Olefin** yarns, making it rot and fade proof. The cushions can be easily brushed clean using a household cleaner or a diluted bleach solution for more stubborn stains. Comes with a 2 year warranty.

OLD ENGLAND

A hardwood which is coated in a grey polyurethane paint. The timber is a species of **Acacia** sourced from Vietnam. Comes with a 3 year warranty. Our **Acacia** is FSC® 100% certified.

TIMBER STORY

Alexander Rose has been at the forefront of garden furniture design and manufacturing since 1994, and has gained a reputation as a market leader for high quality wooden furniture.

For over twenty years we have designed classic wooden benches, tables and chairs using a variety of durable hardwoods and softwoods. Our timber is carefully selected for its properties, meaning we are confident we offer the best wooden furniture you will find on the market.

Our timber collection offers a full range of furniture from sustainably sourced woods. The premium hardwood range is made from Bolivian Roble, one of the worlds strongest and most durable woods. Our second hardwood range is the Cornis range, which is carefully grown in managed forests in The Congo, Central Africa. We also offer a range of benches and a swing seat in Mahogany and have recently launched an exciting new collection in this classic wood. We have a full range built from European Pine, which we feel lends itself particularly well to more rustic furniture. Our final collection is Painted Acacia – this is manufactured using a variety of Acacia wood that is then coated in a polyethylene paint.

Alexander Rose has the widest selection of timber benches in the country and developed the pioneering curved back slat bench that has become a recognised design classic.

Alexander Rose values demonstrate a clear commitment to sustainability, and our timber collections epitomise this to the full.

ROBLE

amburana caerensis

10 YEAR
WARRANTY

Our **Roble** collection provides some of the most beautiful garden furniture available in a selection of contemporary and traditional designs. Whether you prefer precise angles or traditional classic designs, you will find the perfect piece of furniture to complement any outside space.

Manufactured in our own factory in Bolivia, this timber is extremely durable. It has a smooth lustre, with a closely interlocked light yellow grain. Olefin cushions come with a 2 year warranty.

Our **Roble** is FSC® 100% certified.

PAINTED ACACIA

acacia mangium

3 YEAR
WARRANTY

Our New England furniture consists of four white benches to brighten up any garden or patio area. Manufactured using our Acacia timber coated in a rich satin polyurethane paint, the furniture has been beautifully transformed making it fresh, clean and suitable for any environment. Our **New England** is FSC® 100% certified.

Our Old England furniture consists of three distinctive dining sets as well as a lounge set - two in a brushed grey finish with matching benches and one in a brushed grey finish with woven bucket chairs. The furniture is finished in a durable polyurethane paint.

The look and feel of our Old England furniture is designed for it to be left to age naturally, however should you wish to treat your furniture this can be done by lightly sanding it down periodically and re-applying a coat of satin paint. Our **Old England** is FSC® 100% certified.

PINE

pinus sylvestris

3 YEAR
WARRANTY

Pine is an extremely popular softwood for making garden furniture. Our Pine is carefully sourced from responsibly managed forests in Eastern Europe. Each piece has been treated in order to make it suitable for outdoor use.

The timber has a figurative grain and the yellow/green colour will mellow over time to an attractive silver/grey. This rustic collection of furniture is ideal for a traditional English country garden.

Our **Pine** is FSC® 100% certified.

ACCESSORIES

2 YEAR
WARRANTY

Enhance your outdoor space with our extensive range of **accessories**; from colourful scatter cushions and parasols to protective furniture covers and treatments.

We offer a selection of weather resistant storage bags for your cushions, which we recommend you use to protect them from the elements.

For personalising your timber furniture, we offer an engraving service directly onto the timber or a choice of brass or stainless steel plaques.

For full warranty policy on our range of **accessories** please refer to our website.

HARDWOOD PARASOLS

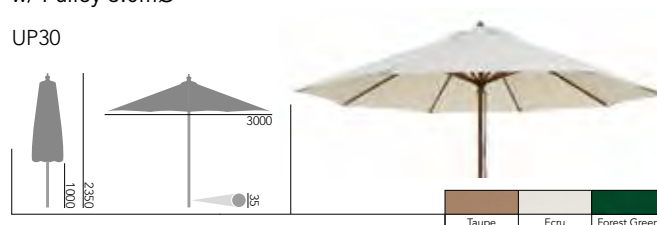

HARDWOOD PARASOLS

Alexander Rose hardwood parasols are operated using a pulley and locking pin system. Simply pull the rope down to raise your parasol up to the desired height and place the brass pin in one of the pole holes to secure. To lower the parasol remove the locking pin and slowly let the rope pass through your hands until the canopy is folded. We recommend that the parasol is not left up in windy conditions. It is essential to use an Alexander Rose base to add stability.

CANTILEVER PARASOLS

CANTILEVERS

Our elegant cantilever parasols can be positioned to provide maximum shade. They appear to float above the furniture and can be manually rotated to follow the sun. They are free standing, which allows you to position the furniture underneath rather than around a central pole as with conventional designs. The crank mechanism enables effortless use.

The parasols are made using lightweight durable polyester fabric which is water resistant and easy to clean. To clean your parasol we advise that the fabric is kept attached to the frame. For best results use a soft brush or broom and warm soapy water. For more stubborn stains the canopy can be removed and washed at 30°C. Once washed it is important to put the canopy back on the frame to dry.

UHP

The UHP parasol is easy to operate with the simple handle and lock mechanism. To rotate the parasol simply unlock the handle and move into the desired position, and then lock the handle to secure. The UHP can be easily bolted to an Alexander Rose UHGB50 granite base. To be used with a FC17 cover.

UH30

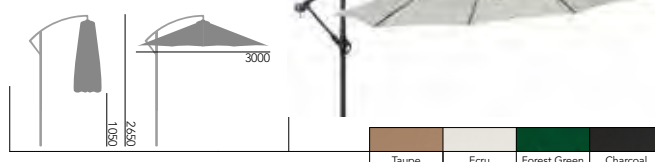

The UH30 is an 18 spoke curved 3.0m cantilever parasol. As with the UHP it is easy to raise and lower the canopy with a crank handle mechanism. The canopy can be adjusted into 7 positions to give maximum shade from the sun. The parasol also has a foot operated pedal for 360° rotation. For use with the UHGB90 granite base. Comes with a night cover.

BASES

GRANITE BASES

For freestanding parasols we recommend using either a GB20 (20kg) or GB30 (30kg), however if you are using parasols through the centre of a table you can use the GB11 (11kg) for a 4 seater set and GB20 (20kg) or GB30 (30kg) for 6 seater sets or more.

COMPOSITE BASE

The composite base is for use with parasols being used through the centre of a table.

It has 2 locking handles on the stem of the base to secure the parasol in place, minimising movement.

CANTILEVER BASE (50kg)

The UHGB50 base is designed to be used with the UHP range of cantilever parasols.

It has convenient small wheels, allowing the base to be moved along a flat surface easily.

CANTILEVER BASE (90kg)

The UHGB90 base has been designed to be used with the UH35 and UH30.

The UHGB90 has locking wheels to secure the parasol and prevent any movement.

STORAGE BAGS

CUSHION STORAGE BAGS

Our cushion bags come in 3 sizes; small, medium and large, to accommodate your set of cushions. All of our bags are weather resistant. We recommend storing the cushions in the bag in a dry place when not required.

SMALL CUSHION BAG

The small cushion bag is designed for furniture cushions, it will also hold several scatter cushions.

LARGE CUSHION BAG

The large cushion bag is designed for our larger cushion pieces, such as the Ocean Hut, modular sofa sets and Beach Lounge sets.

MEDIUM CUSHION BAG

The medium cushion bag is designed for sofa set cushions and many other sizes of cushion.

FURNITURE COVERS

FURNITURE COVERS

The covers protect against the build up of dirt and ensure less furniture maintenance is required. They are designed to be removed and installed easily so you can enjoy your furniture straight away. The covers come with ties and cords for securing to the furniture.

FURNITURE COVERS & LAZY SUSANS

TENT EFFECT

Depending on the type of Alexander Rose furniture you have, it may be necessary to place an object such as a bucket between the furniture and the cover. This will reduce the amount of sagging and will help the airflow around the furniture, this will prevent the chance of rotting occurring.

CUSHION CLEANING TIPS

1. Brush off any loose dirt.
2. Prepare a cleaning solution of 1:16 mild detergent to lukewarm water.
3. Use a sponge or a soft bristle brush to clean.
4. Allow cleaning solution to soak into the fabric.
5. Rinse thoroughly to remove all soap residue.
6. Allow fabric to air dry.

Do not dry clean, iron, steam iron or tumble dry cushions.
Do not use bleach or strong detergents.

SCATTER CUSHIONS

SCATTER CUSHIONS

Scatter cushions are made using 180gsm polyester fabric with single piping. Cushions come in 10 different colours, 5 plain and 5 striped.

INSCRIPTIONS & FURNITURE ANCHORS

BENCH ENGRAVINGS

Alexander Rose offers an engraving service with three options: brass plaque, stainless steel plaque and direct engravings onto our furniture. Our brass plaque offers a more traditional look for your inscription. Stainless steel plaques provide a more contemporary look with a silver shine, and they will not rust.

If you are looking for something unique we offer a direct engraving service. Your inscription is carved directly into the timber by a computer-aided engraving machine. A direct engraving will mellow down along with the bench to a silver/grey finish if left untreated. You will find treatment recommendations on page 98.

FURNITURE ANCHORS

We have designed two types of anchors for different surfaces, the most common being lawns. Using an Alexander Rose soft ground anchor kit avoids the need for concrete. Installation is quick and easy without any mess.

Our soft ground anchors come with solid brass plates that screw onto the outside legs. These have sleeves to allow the anchors to pass through and penetrate the surface. When an anchor approaches its maximum depth (500mm) a curved fluke is released to grip the bench further into the surface, adding more security.

Our bolt down anchors are designed to be used with concrete. They have a maximum depth of 110mm and require a 20mm masonry drill bit to install them.

TIMBER TREATMENTS

TIMBER CARE

Alexander Rose manufactures garden furniture which will last for many years. Over time, as part of the natural weathering process, cracks and splits will appear in the wood, particularly on the end grain and to a lesser extent on the surface. The drier the wood, the more cracks will appear due to the evaporation of natural oils and minerals in the wood from exposure to the elements. As with most hardwoods, this is a normal characteristic for any timber which remains outdoors. Our timber furniture is designed with this in mind and its strength and durability will remain unaffected. Wooden furniture can be treated with our specially formulated care products to give a beautiful rich finish and enhance the look of the wood. Alternatively it can be left to turn a mellow silver/grey, and should be cleaned occasionally with soapy water.

Timber Cleaner

GT2

		
VOL	1000ml	
Cleans and brightens weathered timbers.		

Timber Protector

GT3

		
VOL	1000ml	
Nourishes and gives a uniform appearance. Slows the discolouration from sunlight.		

Timber Treatment

ARTT

TIMBER MAINTENANCE

TIMBER MAINTENANCE

Weathering occurs over a period of time, and you can expect to see changes in the timber after a few weeks. Timber is a natural material, it absorbs moisture in wet conditions and is likely to expand. In dry conditions the timber dries and may shrink a small amount. As the material moves, surface cracks will appear in the timber. You can maintain the appearance of your furniture by lightly sanding down the timber and applying one of our specially formulated care products.

PAINTED ACACIA MAINTENANCE

The white Painted Acacia furniture is produced by applying a polyurethane paint to the Acacia timber. After time there may be hairline cracks in the finish, due to the timber moving. Expansion and contraction of timber is normal and is caused by climatic variation, this is more noticeable around the joints.

New England benches are designed to be used outside, we recommend regular maintenance to retain their original condition. This can be done by sanding the affected area down to the natural timber, then evenly re-applying a white satin polyurethane paint to the area. Polyurethane paint can be purchased from any DIY or Hardware store. If you are unsure about what paint to use please contact Alexander Rose.

All sizes, weights and dimensions are an approximate figure. We reserve the right to change and improve designs and specifications without notice.
